about
Maryland Avenue
Pedestrian Safety

When: June 9th, 6:30-8:00pm

Where: Arlington Hills Rec Center, 1200 Payne Avenue

Who: - Concerned Citizens - SPPD
- St. Paul and Ramsey County Officials and Engineers

Why: On May 23, a 34-year-old single mother suffered fatal injuries from a vehicle collision as she walked in a Maryland Avenue crosswalk after bringing her son to a school bus. Maryland Avenue is a pedestrian hazard and has a history of crashes. This is a forum of citizens and officials to discuss safety improvements.
