Full Circle Theater Company brings together some of the Twin Cities most experienced professional theater makers, and “Theater: A Sacred Passage” presents their personal journeys into this cultural arena. According to one observer, this work “attests to the bracing power of narrative to move, teach and inspire.” Co-artistic director Rick Shiomi said: “We hope to inspire youth and adults from different backgrounds to feel confident that they have the right and power to enter the theater world.”

This project is supported by a Knight Arts Challenge grant from the John S. and James L. Knight Foundation.
