ADDITIONAL REFRESHERS:

- Total estimated participants: 60-plus based on cross-reference of the following: Sign-in sheet, group photo, table photos, dot count, and team debrief/recollections.
- All of the statements in the following pages were drafted at the PPCC Data Party by party attendees. All of these statements were rooted in and based upon the actual written and spoken/transcribed ideas, thoughts, dreams and stories collected in PPCC's Street Party in September 2022, and at 12 Story Circles conducted by Wonderlust in Oct-Dec. 2022.
- Approximately 44 participants stayed to the very end and used their dots (5 each) to amplify the group statements made by all participants at each table/topic.
- Remember, dot color corresponds to party hat color which in turn corresponds to each participant's self-identification.
- Just FYI: Population of Payne-Phalen: 31,000 people
